Mr. Erikson opened the meeting welcoming those in attendance then turned the meeting over to Ms. Carter.

Ms. Carter explained at this meeting the intent was to review the outcomes of several of the ideas raised by the February brainstorming session. She further explained only half would be covered at the March sustainability study meeting and the others would be covered at the April sustainability study meeting.

Dr. Logan entered the meeting at 4:02 p.m.
Ms. Beckham opened her presentation by outlining the layout of the presentation materials. She noted to those present that the layout was designed to present each scenario with “current projections” presented on the left side of the table and “re-calculated proposed changes” presented on the right side of the table.

Ms. Beckham then reviewed the following scenarios:
